

QUEENS HOLDINGS (PTY) LTD

COMPANY PROFILE

Consulting • General Supply

Established 2021 | Hartbeespoort, South Africa | Operating Nationally

RELIABILITY / PROFESSIONALISM / VALUE

01 / COMPANY OVERVIEW

Built with purpose. Focused on value.

Queen’s Holdings (Pty) Ltd is a South African-based consulting and supply company established in 2021 and headquartered in Hartbeespoort. The company operates nationally, providing reliable and efficient services to government entities, state-owned enterprises, and private sector clients.

Queen’s Holdings specialises in management consulting and the strategic sourcing and supply of goods, delivering integrated solutions that support operational efficiency and business continuity. Through a strong supplier network and a client-focused approach, the company ensures consistent delivery of quality products and services aligned with client requirements.

MISSION

To provide high-quality consulting and supply solutions that enhance operational efficiency, support sustainable growth, and deliver measurable value to our clients.

VISION

To be a leading consulting and supply company in South Africa, recognised for reliability, professionalism, and excellence in service delivery across multiple industries.

A practical, client-focused approach underpins the way the business delivers its services.

02 / CAPABILITIES

Two capabilities. One practical approach.

01

MANAGEMENT CONSULTING

Business advisory and operational support
Process improvement and efficiency solutions
Procurement and strategic sourcing support

02

GENERAL SUPPLY

PPE — protective clothing, safety helmets, safety boots, high-visibility clothing and protective gloves.
Cleaning Materials & Supplies — cleaning chemicals and disinfectants, janitorial supplies and cleaning equipment.
Office Supplies — stationery, printer consumables and paper products.
And more.

SUPPLY APPROACH

Queen's Holdings has the ability to source and supply goods in line with client specifications and requirements, working with selected suppliers to ensure products meet required standards and are delivered within agreed timeframes.

03 / WHY QUEEN'S

04 / EXPERIENCE & CAPABILITY

Growing with intention.

Queen’s Holdings (Pty) Ltd is an emerging company focused on building a strong presence in consulting and supply services. The company is committed to delivering quality products and dependable service while continuously developing its operational capacity and industry experience.

Through a practical and hands-on approach, the business ensures that client requirements are understood and met with attention to detail and professionalism.

OPERATIONAL CAPABILITY

The business is structured to support both once-off supply requests and ongoing service needs, with a focus on reliability, clear communication, and meeting client expectations.

REQUIREMENT	APPROACH	OUTCOME
Understand client specifications	Practical, hands-on assessment	Clear scope and expectations
Source required goods	Selected supplier network	Products aligned to requirements
Meet agreed timeframes	Responsive coordination	Reliable delivery and service

The company’s focus remains on dependable service, clear communication and meeting client expectations.
